To Whom It May Concern,

I, Lidia Barreiro, as teacher at INS Provençana Secondary School, hereby confirm that our educational institution has successfully incorporated some of the Soft Improve Academy training modules into our educational programs. We have found the modules on Empathy and Time Management specially useful to foster these skills among our students. This integration reflects our commitment to fostering innovative and comprehensive learning methodologies for the benefit of our students.

Please do not hesitate to contact us should you require further information.

Sincerely,

Lidia Barreiro
Teacher
